Environmentally friendly, energy efficient refrigeration technology from AHT.

THE ORIGINAL - JUST ADD POWER

AHT
a member of **DAIKIN** group

R-290

The best in innovation and reliability.

AHT supplies customers with quality, energy efficient and fully assembled freezer units. We are one of the world's leading manufacturers in refrigeration, and consistently deliver exceptional and communicative customer service.

AHT is whole-heartedly committed to sustainability and energy efficiency. Our appliances use the eco-friendly refrigerant R290 (propane), which has no negative impact on the environment. We are delighted to have honed in on the sustainable answer to our customers' refrigeration needs.

Buyers Guide

Elevate the In-Store Customer Experience

The Core of Your Success

Help your associates get it right, right away, every time to support customers and drive results. Make it easy with the retail-ready solutions that help you uncover early opportunities and take effective action. Get inventories completely visible, unify your teams, put information in their hands to accelerate tasks and free them up for higher-value work.

59%

of shoppers have a better experience when associates use the latest technology.*

See the solutions.

Real-time Task Manager
Keep associates productive and purposeful

REFLEXIS

Assist Shoppers by Adding Value

Engage shoppers so they feel personally supported. From contactless or traditional checkout, mobile POS and personal shopper to curbside pick-up and everything in between, eliminate friction with spot-on information and seamless checkout. Provide in-store navigation, see inventory in real time, answer questions and resolve issues right away.

Engage shoppers where they are.

Never Keep a Customer Waiting

Today's shoppers don't have time to waste, especially in checkout lines. In fact, 76% of shoppers say they want to get in and out of stores quickly.* Prevent lost time for customers and lost sales for you with fast and convenient check-out options. Move customers out of line and out the door quickly, feeling like they're your top priority.

52%

of shoppers prefer self-checkout*

Show Customers You're Serious About Safety

Convenience is critical, and safety is a must. Give shoppers both. Offer multiple ways to shop, collect purchases and accept delivery. And, help them maintain social distance while in your stores.

Create safe, speedy checkouts.

54%

of shoppers say more retailers need to offer mobile ordering*
