

40 years anniversary AHT Cooling Systems

For 40 years, AHT, with its headquarters in Austria, has stood for quality at the highest level. With its green refrigerant R290, AHT became the pioneer of an entire industry. Building on this legacy, Multilayer Trading has championed AHT's innovation in Africa for over a decade. By successfully introducing the green refrigerant to the continent, Multilayer Trading has not only upheld AHT's pioneering spirit but has also emerged as the market leader in plug-in green commercial refrigeration in Africa.
